Director: Captain Harjeet Singh, Master (FG)

Established	1998
Accreditation	DGS Approved – A1 Outstanding
Location	Mumbai, Marine Cantonment, Colaba
Annual Outflow	11,000 Seafarers

ABOUT US

MUMBAI'S PREMIER MARITIME TRAINING INSTITUTE

The Academy is a premier Maritime Training Institute (MTI) conducting STCW Modular and Offshore Courses approved by the Director General of Shipping (DGS), Government of India. NAMAC is a pioneer in conducting offshore safety courses adhering to the international quality standards in meeting the requirements of the Offshore Industry.

Located on the sea front, away from the hustle and bustle of the metropolis, NAMAC provides an enviable nautical environment conducive for maritime and offshore training. RC Church and Kendriya Vidyalaya No 3 provide well known landmarks to reach the Academy Using Academy Buses also which is well connected by BEST buses and taxi service from both CST and Churchgate Stations.

NAMAC has been graded 'Grade A1 - Outstanding' by MMD, Mumbai during the Comprehensive Inspection Program (CIP) for MTIs conducting Modular courses. NAMAC conforms to the requirement of **ISO 9001 : 2015 and 14001 : 2015 as assessed** by ABS Quality Evaluation. NAMAC was conferred with Samudra Manthan Award 2011 for being the best Offshore Training Institute in India. Courses at NAMAC can be booked only by **Citizens of India**.

ABOUT US

WHY CHOOSE NAMAC?

🏆 A1 Outstanding Grading

Awarded the highest DGS grading after comprehensive inspection by MMD Mumbai.

🎓 25+ Years of Excellence

Training seafarers since 1998 with unmatched expertise and institutional knowledge.

👨‍🏫 Expert Faculty

Dedicated, professional staff who guide every candidate personally through their training.

🚢 State-of-the-Art Facilities

Modern simulators, pool, fire training ground, helideck and offshore platform models.

🌐 Global Recognition

Our graduates are absorbed by top shipping companies and offshore operators worldwide.

💰 Affordable Training

World-class quality maritime education at very reasonable and transparent costs.

📍 Prime Location

Situated in Mumbai's marine cantonment — accessible and prestigious.

✅ High Success Rate

Candidates are well-prepared for exit examinations with excellent pass rates.

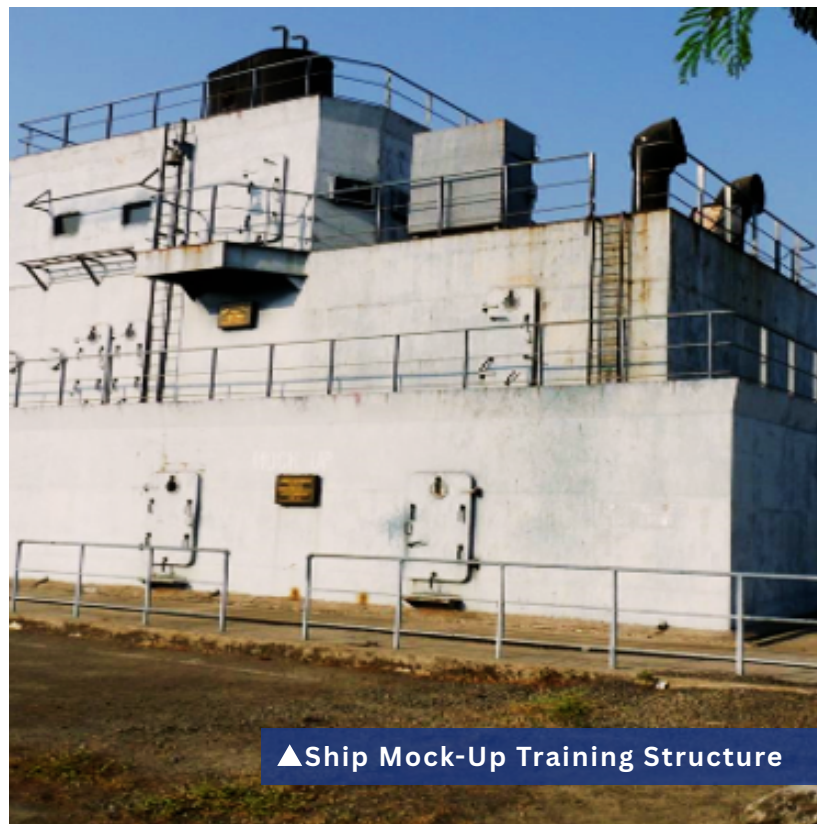

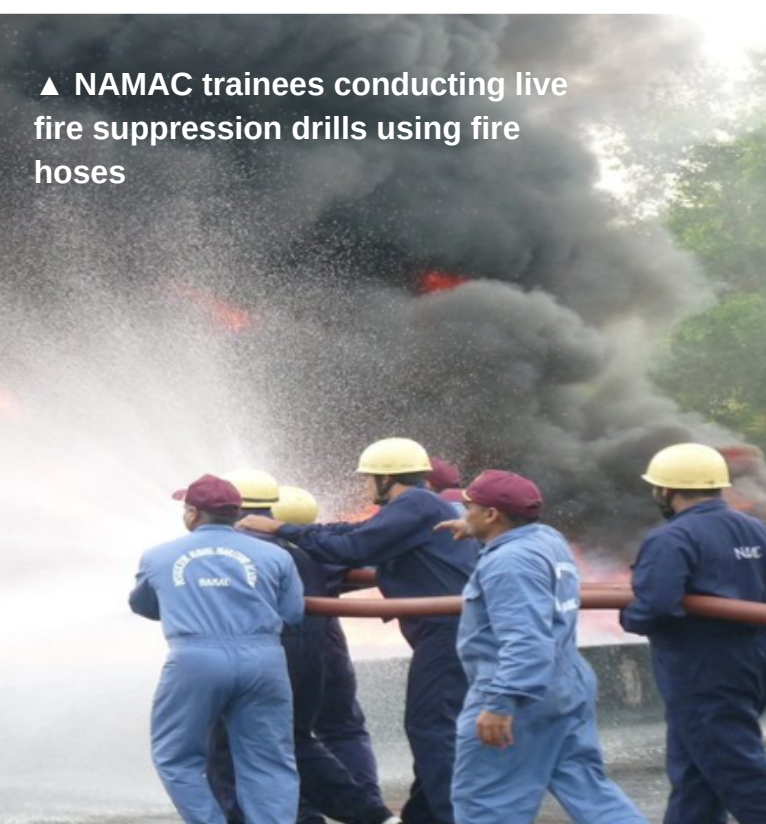

WORLD-CLASS INFRASTRUCTURE

TRAINING FACILITIES

Our Academy is equipped with State of the Art practical training facilities designed to enable excellent, hands-on learning across all maritime disciplines. Every facility mirrors real-world conditions to prepare our candidates for the challenges of life at sea.

FIREFIGHTING TRAINING — LIVE FIRE DRILLS

▲ NAMAC trainees conducting live fire suppression drills using fire hoses

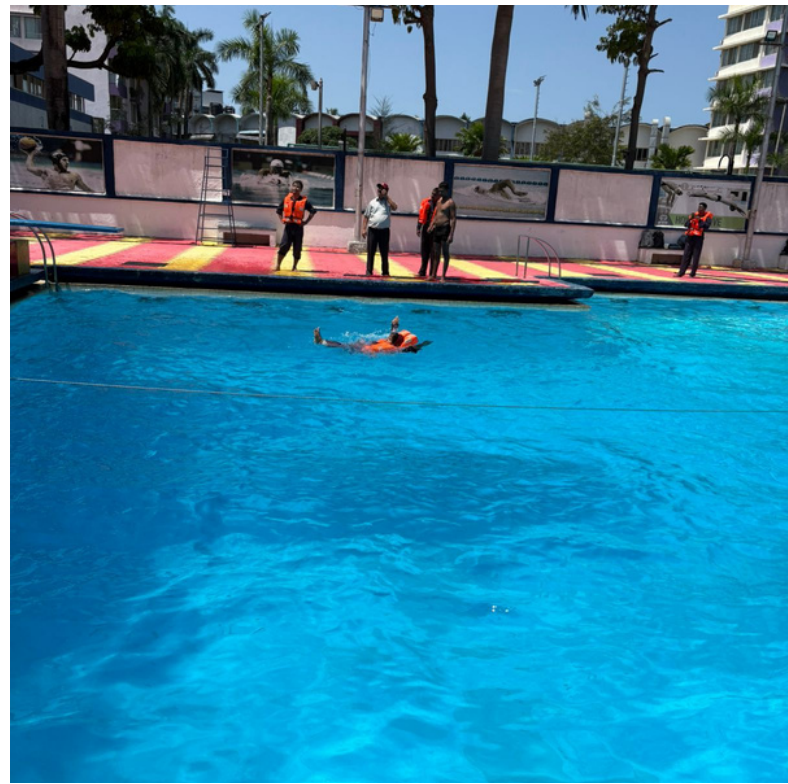

▲ Ship Mock-Up Training Structure

▲ NAMAC TRAINEES CONDUCTING LIVE FIRE SUPPRESSION DRILLS USING FIRE HOSES

NAMAC conducts internationally certified firefighting training programs that include advanced fire prevention, live fire suppression drills using foam and dry powder systems, and emergency response procedures. Trainees gain hands-on experience handling real fire scenarios under expert supervision

SEA SURVIVAL POOL TRAINING

▲ Trainees in life jackets practicing survival techniques in the pool

NAMAC's sea survival training covers all essential aspects of maritime emergency preparedness — proficiency in survival craft operations, personal survival techniques, huddle positions, and life-raft deployment. Our dedicated international standard swimming pool facility enables fully realistic survival simulations.

MEDICAL FIRST AID & MEDICAL CARE TRAINING

▲ IV Cannulation practical training

NAMAC offers comprehensive Medical First Aid and Medical Care courses with hands-on practice using medical mannequins and real IV cannulation trainers under the supervision of qualified medical instructors. The offshore platform model familiarizes candidates with rig structures and safety systems.

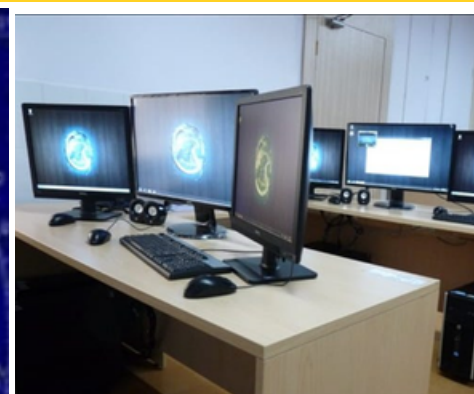

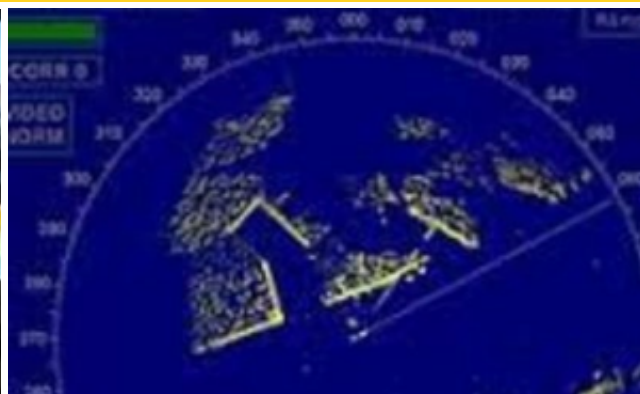

HELIDECK & HELICOPTER TRAINING

▲ Naval helicopter on the NAMAC campus helideck — used for HLO, HDA and OEHTM training

NAMAC is uniquely equipped with a real naval helicopter on campus, enabling practical helideck training for Helicopter Landing Officers (HLO), Helideck Assistants (HDA), and Offshore Emergency Helideck Team Members (OEHTM). Candidates also undergo Helicopter Underwater Escape Training (HUET).

NAVIGATION & RADAR SIMULATOR TRAININGS

State-of-the-art navigation simulators provide immersive training in RADAR, ARPA, ECDIS, ship manoeuvring, and Global Maritime Distress and Safety System (GMDSS) operations. The full-mission bridge simulator replicates real port approaches, collision-avoidance scenarios, and weather conditions.
